LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU EMERGENCY REPAIR OF 18-INCH-DIAMETER HIGH PRESSURE TRANSMISSION WATER MAIN

On February 10, 2006, a leak occurred in the 18-inch-diameter transmission water main at 29500 Pacific Coast Highway, Malibu, disrupting water service to customers in the west side of Malibu. W. A. Rasic Construction Company was called to assist District staff to repair the leak and replace a corroded section of the water main. The repair work was completed on February 15, 2006, at an estimated cost of \$40,000.

W. A. Rasic Construction Company is one of five as-needed, on-call emergency contractors, with a contract approved by your Board on December 1, 2003. We committed to reporting to your Board all emergency repairs carried out under these contracts.
